SUMMARY

Brand and graphic designer with 4+ years of experience creating visual identity systems, campaign assets, presentation decks, and digital content for brands across lifestyle, education, media, and business sectors. Skilled at translating briefs into clear, compelling visuals that strengthen brand presence, support marketing goals, and improve audience engagement. Combines strong design execution with an understanding of audience psychology, brand strategy, and behavior-informed communication, with hands-on proficiency in Adobe Creative Suite, CorelDRAW, Canva, Figma, and other creative tools.

PROFESSIONAL EXPERIENCE

Creative Brand/Graphic Designer

THE HILL EMISSARIES

Sept 2024 – Present, Remote. Tampa, Florida

- Architected the complete visual identity system for a new brand launch, establishing a cohesive look and feel across print, web, and digital touchpoints.
- Translated campaign messaging into 10+ audience-focused program flyers and promotional assets that drove clarity and visual consistency across outreach materials.
- Executed 30+ branded materials, including shirts, placards, backdrops, jotters, and print mockups, strengthening event presentation and contributing to a 35% increase in outreach engagement.
- Championed the brand's creative direction across key deliverables, ensuring consistency and building stakeholder confidence in the brand's positioning.

Creative Graphic/Brand Designer (Contract)

ADEDOLA CONSULTING

Mar 2025 – Aug 2025, Remote. Lagos/London

- Supported consulting-led brand engagements across fashion, entertainment, jewellery, and oil and gas, translating strategic briefs into visual identity systems, campaign assets, and client-facing brand communication for 10+ brands.
- Delivered campaign graphics, stakeholder presentation decks, promotional collateral, and digital content for brands including TUBO and Don't Drop The Mic, aligning design output with brand strategy, audience positioning, and campaign goals.
- Designed 10+ logo concepts and visual identity explorations for client brands, contributing to new brand development, repositioning, and rebrand initiatives across multiple sectors.
- Established brand guidelines for multiple brands and created campaign assets including a TUBO promotional reel that recorded 10,000+ Instagram views, strengthening brand consistency, campaign visibility, and audience reach.

Creative Graphic/Brand Designer (Contract)

GTEXT HOMES

July 2024 - Sept 2024, Remote. Lagos

- Produced visual content and campaign materials that strengthened audience engagement across real estate promotions.
- Applied audience psychology and visual hierarchy principles to property marketing materials, improving message clarity and strengthening appeal for prospective buyers.
- Structured monthly reports and client-facing layouts that improved clarity, structure, and presentation quality.
- Created promotional videos and targeted social media content that generated 500+ interactions during peak campaigns.

Freelance Graphic Designer

EVERYTHING PSYCH NG

May 2022– July 2024, Remote. Lagos

- Mentored and trained a team of 5 designers across Adobe Illustrator, Photoshop, and Canva, improving creative output and workflow efficiency by 40%.
- Standardized 15+ recurring templates and design assets, improving brand consistency across campaigns and educational content by 20%.
- Crafted webinar, event, and promotional materials for a psychology-focused platform, applying audience psychology and behavior-informed communication to contribute to a 30% increase in attendance.
- Safeguarded visual brand standards across 10+ audience touchpoints, ensuring consistency and clarity across communications reaching 200+ members.

Freelance Graphic Designer

KAAPIT GRAPHICS STUDIO

Oct 2020 – Nov 2023 Remote. Lagos

- Steered branding and design projects for 20+ SMEs within the Lagos State University business community, helping clients improve visibility and present more professionally.
- Completed 40+ production-ready brand assets, including 30+ flyer designs and 10+ logos, supporting business, event, and promotional needs across multiple client accounts.
- Developed packaging, flyers, and promotional materials across 10+ product lines, aligning visuals with vendor requirements, customer appeal, and point-of-sale goals.

- Leveraged typography, color theory, composition, and audience perception principles to craft custom logo concepts that helped small businesses stand out in competitive campus and local markets.
